## PUBLIC NOTICE

*[Under Section 23 (a) and (b) of the Petroleum Supply Act, 2003, Section 16 (2) (a) and (b) of the Petroleum Supply (General) Regulations, 2009 and Section 5 of the Petroleum (Marking and Quality Control) Regulations, 2009 as amended in 2012]*

The Department of Petroleum Supply in the Ministry of Energy and Mineral Development (MEMD) routinely carries out inspection and monitoring of downstream petroleum facilities and products to ensure that they do comply with the set standards.

Recently, the public was notified of retail outlets that had been faulted by the fuel marking and quality control program over the period August 2017 to March 2018. An analysis done on the faulted stations revealed that most of those retail outlets were not duly licensed to trade in refined petroleum products and the licensed wholesalers were cautioned and or advised to desist from selling to such outlets. To facilitate the smooth and clear implementation of the downstream petroleum law and regulation, **the general public and licensed wholesalers are hereby notified of the following seven hundred and fifty seven (757) retail outlets that are licensed and authorized to deal in refined petroleum products in Uganda as at 23<sup>rd</sup> May 2018.**
